

NIGERIA MYCOTOXIN AWARENESS AND STUDY NETWORK

Standard Organisation of Nigeria (SON) 2008, April 28-30, 2008

PROGRAMME OF EVENTS

====Day 1

VENUE SON, Lekki, Lagos

1st SESSION

9 00 – 10.00am

Arrivals/ Registration
Recognitions,
Opening prayer

10.00 -10.05 am Welcome address by DG, SON, Dr John Akanya
10.05 –10.15am Speech by the President NMASN, Dr S O Fapohunda
10.15—10.15am Speech by Chairman, Sec Gen COPAL, Amb. Sona Ebai
10.15-10.25am Speech by Hon Minister, Commerce and Industry, Engr Charles Ugwu OON

10.30—10.40am Tea break

-----Announcements-----

11.00-11.05am Citation : Dr Olusegun Atanda

11.05-11.35am

Guest Lecture: Prof Maria E Guerzoni, Dept of Food Science
, University of Bologna, Italy.

Topic ==Mycotoxins traceability and risk assessment: prevention
or reduction of their biosynthesis

11.35-12-15pm

=Reactions to Guest Lecture

=Solidarity Messages

=Experiences from, food and feed industries and farmers, other
stakeholders.

12 .15- 1.00pm Chairman =Prof G O Adegoke

Presentation

Ohwofa K and Trattner N==’Managing mycotoxin contamination : From farm to
fork(BIOMIN)

Nwaotule E--- Strategies for the control of mycotoxin
contamination(BIOINGREDIENTS)

1.00-2.00 pm-----LUNCH

2nd SESSION

2.00-4.00 pm

Chairperson---- Dr Mrs M Edema

WORKSHOP-----VICAM ,NMASN team-Ogunbanwo B F Imafidon T and Akogun I = Sample preparation, extraction, fluorometry....

4.00-4.30 pm (POSTER) Kumar, Manjula S. A. Akinbade, R. Bandyopadhyay and P. Lava Kumar==Development of aflatoxin diagnostic assay Production of polyclonal antibodies to aflatoxin B1 and development of an indirect ELISA for estimation of aflatoxin contamination in crops

=====DAY 2

VENUE: SON Lekki , Lagos

1st SESSION

9.00am—10.00am Chairperson--- Mrs S Denloye

Anjorin S T ; Makun H A ; Iheanacho H E and Kudu I==
Biocontrol of *Aspergillus flavus* and its metabolites.....leaf extracts
Akogun I **The application of HACCP to mycotoxin control in food industries**

*Ewuola E O ; Gbore E A and Ogunlade T ==***'Impaired fertility in male animals:Mycotoxin (fumonisin) perspectives'**

Aroyeun O , Adegoke G O ,and Varga J **Effect of mycotoxingenicfungiand Ochratoxin A on quality deterioration of cocoa beans and cocoa butter**

10.00am---11.40am Chairman— ----- Mr L Njoku

Denloye S A; Ogunbanwo, B F ; Ayoade F A and Fasina F I
Determination of total aflatoxin in animal feed
*Oyebanji F -- Adequate post harvest drying.....*Aspergillus flavus* on maize*

Ikhenebome D, **Monitoring the levels of total aflatoxins.....by SON'**

*Somorin Y M ==***Mycotoxins in Food in Africa: Recent paradigms for minimizing exposure to them**

11.40---2.00 pm

Chairman ---- Dr Ranajit Bandyopadhyay
WORKSHOP----- Mycotoxin Analysis Fluorometry, HPLC,
LC/MS (VICAM), NMASN team

2.00—2.40pm -----LUNCH

2nd SESSION

2.40---3.40.pm

Chairman—Dr Olusegun Atanda

Makun, H A ;Gbodi T A ; Morounfoye B; Adejo F A and Afolabi O A==Toxigenic metabolites producing abilities of fungi.....middle belt states of Nigeria
Idahor, K O; Ogunlade J T; Ewuola E O ; Gbore F A; Salako O A and Egbunike G N
Reproductive potentials.....of *Fusarium verticillioides*'
Ranjit Bandyopadhyay, Joseph Atehnkeng, Tunde. Ikotun, Richard A. Sikora, Peter J. Cotty == 'Atoxigenic strains of *Aspergillus flavus* as potential biocontrol agents for aflatoxin in maize'
Odor Pieray=Genetic modification in mycotoxin prevention: safe or not safe?

3.40-4.20pm

WORKSHOP— Kumar L and Bandyopadhyay R==New approach in ELISA method

====DAY 3

VENUE ===== Sheraton Hotel, Ikeja, Lagos

9.30-10.00====Arrivals

10.00--10.15—Recognitions

10.15—10.18—Opening Prayer = Mr John Ikeorah

10.20—10.30-- Special Address by DG, NAFDAC Prof Dora Akunyili

10.30-10.40- Opening Speech----Speaker, House of Representatives, Hon Dimeji Bankole CFR

10.40-10.50am -----Tea Break

1st SESSION

10.50-11.20

Chairman---Mr L Ezirim

Badru A ; Ogunledun, A ; Adenaike, F A and Daini O A ==Dose response of Ochratoxin -A in 21-day old chick in Lagos, Nigeria

Anjorin S T ; Makun H A ; Adesina T F and Kudu I == Effects of Fusarium verticillioides, its metabolites,Zea mays
Denloye S A ; Ogunbanwo, B F ; Imafidon, T F and Nden E N ===Determination of ochratoxins and total aflatoxins in wheat'

11.20-12-20

**VENDOR WORKSHOP-- Food Safety Tech. Presentation (Mycotoxin)
Reg. Mgr. Neogen Corp. (ME+A)**

12.20- 1.40===AGM

1.40----2.30- LUNCH

2ND SESSION

2.30—3.00==Audio visuals of mycotoxin testing/Demonstrations

3.00-3.20== PRESENTATION OF CERTIFICATES= DG, S O N , Dr John Akanya

3.20-3.25 ==Vote of thanks = Dr. Ayo Daramola

3.25-3.30==Closing Prayer and departure
